

## Lujane Pagganwala Profile

Lujane Pagganwala, b.1997, has received a Bachelor's in Fine Art from Indus Valley School of Art and Architecture. She is a multidisciplinary artist whose work revolves around the idea of space: tangible and intangible, physical and metaphysical. She tends to create work that engulfs the audience and provokes them to interact with the artwork. Pagganwala, lives and works in Karachi, Pakistan, and has exhibited both locally and internationally.
